

QUILTING

MORE PERFECT THAN EVER BEFORE

- 1 | **LED Lights** – Optimized bright lights illuminate the entire work area with no shadows.
- 2 | **Free-motion Modes** – Three modes for free-motion quilting, thread painting or darning. Your PFAFF® performance 5.0 sewing machine sets the correct presser foot height automatically for you, and the feed dogs drop automatically.
- 3 | **Optional** – The extension table – slide it in place and double your sewing area.

performance™ 5.0

The perfect choice for quilters. The sewing area to the right of the needle is supersized for sewing large amounts of fabric or batting. Optimized feeding provides more control when sewing through thick layers or seaming small pieces. Sew your seam and the PFAFF® performance 5.0 sewing machine will remember the seam length to repeat over and over, thanks to the Patchwork Program. This and a lot more is all waiting for you.

Experience a new way of sewing and quilting at your authorized PFAFF® dealer.

performance™ 5.0

Through my passion for sewing I reveal my true self. Beautiful fabrics inspire me to let my imagination run free. My creations show my love of detail and my desire to achieve professional-looking results. I need a sewing machine that delights me - one that offers room for new ideas and possibilities.

PFAFF® performance™ 5.0 sewing machine.
Technology that understands my passion.

Unbelievably beautiful – More than 300 utility and decorative stitches are included with the PFAFF® performance™ 5.0 sewing machine. Including the original PFAFF® 9mm Stitches and the unique PFAFF® Maxi Stitches, up to 48mm wide, for enchanting embellishments. Mirror them, combine them, taper them - do whatever you want to do. It will be perfect.

1 | **Beautiful** The original PFAFF® 9mm Stitches. 2 | **Unique Details** Embellish your project with different types of decorative cords or yarn using beautiful PFAFF® 9mm Stitches and the Three Hole Yarn Foot (optional). 3 | **Twin needle program** Enter the twin needle size to automatically adjust the stitch width. For decorative highlights choose a 9mm Stitch and first see the result on the screen. 4 | **Gorgeous eye-catchers** Create thread embellishments with the PFAFF® Yarn Couching Foot set (optional). 5 | **Individual accents** Choose one of the monogram letters to personalize your project.

LIKE MAGIC!

WHEN THINGS SEEM TO HAPPEN THEMSELVES

Just one touch and the machine ties off, the presser foot is lowered or lifted automatically, the upper and bobbin threads are cut, the feed dogs are lowered ... when you want it to happen.

Exceptional space for large amounts of fabric.

Simply brilliant!

The PFAFF® creative™ Color Touch Screen

Everything you do can be seen. The intuitive PFAFF® creative™ Color Touch Screen shows stitches in actual size. Customize and combine them directly on the screen. Select the desired function with the ergonomic stylus. The user-friendly interface guides you confidently through all processes. Pleasant colors make everything clear, right from the beginning. Save individual stitch settings or letters in one of the 30 memories and sew them in one step.

DETAILS

THAT YOU WILL LOVE

Piping – Insert piping into seams and edges for a tailored finish with the PFAFF® Piping Foot (optional).

Decorative stitches – A fascinating selection of the original PFAFF® 9mm Stitches and Maxi Stitches up to 48mm wide is just waiting to be discovered. Combine them and sew in one step repeatedly.

4 built-in sewing fonts – Choose one of the beautiful fonts to personalize your project and combine it with your favorite decorative stitch.

Tapering – on all 9mm Stitches. Gradually increase or decrease the width at the beginning and/or at the end of any stitch.

PFAFF® Stitch Creator™ Feature – Unique – Design your own new 9mm Stitches or edit built-in stitches. Watch every step on the large PFAFF® creative™ Color Touch Screen. Vary the look of the stitch with unlimited possibilities.

Electronic Knee Lift – Raise the presser foot while your hands are busy guiding the fabric.

Straight Stitch Needle Plate Sensor – Your PFAFF® performance 5.0 sewing machine alerts you if you try to select a stitch other than straight stitch when the straight stitch needle plate is attached.

SEWING FEATURES

- **Maxi Stitches** – add beautiful accents to your project with stitches and monograms up to 48mm wide.
- **Exclusive Stitch Creator™ Feature** – Create new 9mm stitches or edit built-in stitches for unlimited creativity.
- **The Original IDT™ System** – Integrated Dual Feed only from PFAFF® for over 40 years! Absolutely even fabric feed from both the top and the bottom.
- **Over 300 Stitches** – be astonished by the fascinating selection of PFAFF® high-quality 9mm stitches. Unique embellishments, stitched perfectly.
- **Large Sewing Space** – The PFAFF® performance^{5.0} sewing machine is the perfect choice for quilters, home decor sewers, fashion enthusiasts – anyone who creates. The sewing area to the right of the needle is supersized for sewing large amounts of fabric or batting.
- **4 Built-in Stitch Fonts** – Choose one of 4 fonts to personalize your project.
- **Optimized Feeding** – enhanced to provide more control when sewing through thick layers or seaming small pieces
- **creative signature™ Sewing Programs:**
 - Tapering on all 9mm Decorative Stitches – Taper at the beginning and/or at the end of any stitch. Change the angle of taper for unlimited opportunities.
 - Patchwork Program – Sew your seam and the PFAFF® performance^{5.0} sewing machine will remember the seam length to repeat over and over. Use with utility or decorative stitches for special effects.
 - Single Stitch Program – Set exact number of stitches or sequence repeats you wish to sew.
 - Mirror Image of Stitches – Flip the stitch side to side and/or end to end for even more possibilities.
 - Stitch Positioning – Moves complete stitch right or left to easily align decorative stitches.
 - Stitch Density – The stitch density control adjusts the density, the distance between stitch points that make up the entire stitch. Density can be increased or decreased without affecting stitch length.
- **Automatic Presser Foot Lift** – Raises the presser foot instantly when the needle is set to stop down and/or at the end of a seam after a thread snip.
- **Free-motion Modes** – Three modes for free-motion quilting, thread painting or darning. Select the best mode for your specific technique.
- **Needle Up/Down** – Set needle to stop up or down in the fabric for pivoting, appliqué and more.
- **Sensomatic Buttonhole** – Buttonhole columns are sewn in the same direction for precise stitch quality.
- **Start/Stop** – Sew without the foot control. Makes sewing long seams, free-motion and buttonholes easy.
- **37 Needle Positions** – For exact placement of your straight stitch.
- **Stitch Width Safety** – Limits stitch width to center needle straight stitch while using straight stitch foot to prevent needle breakage.
- **Twin Needle Program** – Enter twin needle size to automatically adjust the stitch width. See the twin needle stitch on the screen.
- **Stitch Restart** – Return to the beginning of a stitch or sequence without having to reset any special adjustments you've made.
- **Large Stitch Plate** – Features seam markings to the left and right of the needle to help you guide your fabric.
- **Immediate Tie-off** – When pressed the machine will tie-off and stop automatically for a quick and easy finish.
- **Accessory Feet included** – 10 different presser feet for all your basic needs.

MACHINE FEATURES

- **PFAFF® creative™ Color Touch Screen** is brilliant! – The clear, high resolution display shows stitches in actual size. The intuitive layout is easy to understand.
- **Straight Stitch Needle Plate Sensor** – Your performance^{5.0} sewing machine alerts you if you try to select a stitch other than straight stitch when the straight stitch needle plate is attached.
- **LED Lights** – Optimized bright lights illuminate the entire work area with no shadows.
- **Bobbin Thread Sensor** – Alerts you when your bobbin thread is running low.
- **Thread Snips** – Automatically cut top and bobbin threads, pulling thread ends to the back side of fabric.
- **Electronic Knee Lift** – Raise the presser foot while your hands are busy guiding the fabric.
- **Quick Help System** – Touch the quick help icon for instant information.
- **Speed Ranges** – Adjust sewing speed and your PFAFF® performance^{5.0} sewing machine remembers your preferred setting until turned off.
- **Personal Menu** – Save your personal stitches and sequences in a folder to sew them again whenever you wish.
- **Stylus Holder Built-in!** – Keeps your stylus at your fingertips.
- **Updateable** – Download the latest program version from the internet; update quickly with a USB stick.
- **Languages** – Choose from different languages in the settings menu. Make sure your PFAFF® performance^{5.0} sewing machine speaks the same language you do.

Perfect fabric feed – more precise than ever before

The time-tested PFAFF® Original IDT™ System and a highly developed sensor technology guarantee the optimal feed you expect, on all kinds of fabrics.

Everything stays in place. Lightweight and silky fabrics don't pucker; stripes and plaids match perfectly; curved seams are easy, with very little pinning required.

The Original IDT™ System is exceptional for grasping and feeding small fabric pieces, for maximum precision and professional results. Your PFAFF® performance^{5.0} sewing machine moves from a single layer to multiple layers effortlessly and even sews over bulky seams with no hesitation.

performance™ 5.0
